Reminder: We are a
nut free school!
Thank you!

May

From the Principal

Dear Legal Public School Families,

As we approach the end of another remarkable year, I wanted to take a moment to reflect on the incredible journey we have shared together at LPS. It has been a year filled with growth, learning, and countless moments of joy and achievement.

First and foremost, I want to express my deepest gratitude to each and every one of you for entrusting us with the education and well-being of your children. It is an honor and privilege to serve as the principal of such an extraordinary community. Your unwavering support, collaboration, and involvement have been instrumental in creating an enriching environment for our students to thrive.

I am immensely proud of our students for their remarkable achievements, both academically and personally. They have displayed incredible resilience, adaptability, and determination. It has been a pleasure to witness their growth and development throughout the year.

Our school community is more than academic achievements. We have come together to foster a culture of inclusivity, compassion, and respect. Our students have embraced these values, demonstrating empathy, kindness, and understanding towards one another. They have forged strong friendships, celebrated each other's successes, and supported each other. They are AWESOME!

Thank you once again for your unwavering support, trust, and collaboration throughout this remarkable year. Together, we have created an exceptional learning community that is truly second to none. I am immensely proud to have been a part of this wonderful family at Legal Public School and building our school together. Though I will not be returning as your principal for the 2024-2025 school year, I am so grateful to have been a part of your children's learning journey and know they will continue to flourish under Mrs. McKinstry's leadership.

Wishing you a joyous summer!

Ms. Brenneis

What a year it has been at LPS! I am incredibly grateful for all the learning and growth that has taken shape over the last 10 months. Thank you for all of your support and involvement over this past school year that has helped make our school thrive. There are so many exciting moments to take away from the past year, and one important memory for me is the way our school community of students and parents has developed, it has been a gift witnessing the passion you have for your child's education.

I am incredibly thankful to have been a part of the development of Legal Public School these past two years. It has been such a unique and rewarding experience. We really have become a family over this time and I will miss each one of our students dearly! I will be moving to Landing Trail School as Vice Principal for the 2024-2025 school year. Thank you for allowing me the true blessing it has been to be a part of your child's learning journey.

Wishing you and your family a wonderful Summer!

-Mrs. Ameobi

Vanilla

Chocolate

Strawberry

LPS VISION

SCHOOL COUNCIL

The next School Council Meeting will be on Thursday June 20th at 7pm. We hope to see you there!

Roots of Empathy

We have completed the Roots of Empathy program for this year. The students had a wrap up celebration with Mrs. McKinstry and Baby Myer this past Friday, and reflected on the growth and changes of the baby over the year, taking time to share the memorable moments of learning throughout the program. I hope this program has increased your child's ability to recognize their emotions and their sense of empathy for themselves and others. It was exciting to hear about their favorite moments from the program and the understandings they have acquired from it.

opâskâwêhowipîsim Egg Hatching Moon

Pronounced- oh-paska-wee-ho-pee-sim

Hello friends, welcome to June! This month we celebrate all of our learning and growth together. I hope that you have learned some neat things about the moon and connected to the land we live on in a meaningful way. Even though our moon letters will be concluding, I encourage you to still go outside as much as possible and connect with the Earth. When we connect to the land we tap into infinite ancient wisdom that offers us healing, connection, nutrition/food, space to live, space to adventure, space to relax, and so much more!

Can you guess why we might call this moon the egg-hatching moon?

This moon is called egg hatching moon because most birds and waterfowl eggs begin to hatch. We see lots of baby chicks, ducks, and geese being born. We also notice more insects around this month because they are hatching as well!

This month there are two challenges:

#1- See how many different types of birds you can see and compare with a friend.

#2- Continue on with the moons and see what you notice happening for the two moons of summer over the break.

Have a wonderful summer!
