SEPTEMBER

From the Principal

We have officially completed our first month of the school year! During this first month of school, our dedicated teachers and staff have been hard at work ensuring a safe and nurturing learning environment for your children. We've witnessed remarkable growth and determination in our students as they've settled into their new routines and embraced the challenges of a new academic year.

I invite you all to attend our School Council Meeting on October 19th at 7:00pm at the school. We believe in the importance of building a strong school community. Throughout the year, we will be hosting events and activities that promote family involvement. We hope they are as well attended as our Welcome Back Ice Cream Social!

Your feedback is invaluable to us. If you have any questions, suggestions, or concerns, please do not hesitate to reach out to our school administration or your child's teacher. We are here to support you and your child's educational journey. Please ensure you have reviewed our [School Code of Conduct](#) on our website. I will also be uploading our Education Plan and budget once I present them at School Council. Your participation and involvement is essential to providing the best possible education for our students. I am committed to ensuring that all our school operations and plans are transparent and clearly communicated.

Thank you for entrusting us with your child's education. We are excited about the possibilities that lie ahead and look forward to a productive and rewarding school year.

Ms. Brenneis

This past month....

Wow, September has flown by!
Our LPS students are truly AWESOME!
They have done a terrific job settling into classroom routines, remembering our school rules and including new students in our learning community! It has been so great to witness many moments already this year of students helping one another out, and diving deep into the joy of learning.

In September, we celebrated International Literacy Day by bringing our favorite books to school, and exploring a book STEM challenge!

We ran for the Terry Fox run through our school area and spent some time outdoors.

We concluded the month by observing Truth and Reconciliation Week through reflection with Indigenous literature, art, and music. On Orange Shirt Day we spent time in a sharing circle outdoors and went on a nature walk.

Thank you for supporting your child's education and learning community at LPS! If you are interested in getting more involved please reach out either to myself or by calling the school. We are looking for parents to help with hot lunch, and who are interested in joining the School Council, which will be meeting on October 19th at 7pm.

Hope you have a wonderful October!
All the best,

Andrea

Help Us Name Our School

WE NEED YOU! Public Education is here to stay in Legal and we need you to help us build our identity! We are looking for suggestions for our school name, logo and colours. We would like our name and identity to reflect the values that the community of Legal encompasses as well as our Sturgeon Public values! To give us your input, scan the QR code below or head to:

<https://forms.gle/8h8QgUw67CHY3wBAA>

Please join us for a School Council meeting on October 19th at 7 pm at LPS.

 **Looking forward to seeing you there!**

We have a beautiful new addition to our school! SPS commissioned local Indigenous artist, Eugene Alexis, to create paintings for our schools. Please come see this incredible art in our office!

PINÂSKOWIPISIM

Leaves Falling Moon

Pronounced: pin-ask-oh-wee-pee-sim

We welcome October, the beautiful autumn month of harvest and changing tones. We have the delight of seeing golden hues, radiant reds and oranges as the leaves change color just before they fall. Some of us harvest our gardens and share with the people we love. Other's will hunt wild game to prepare for the winter. As the earth goes into hibernation this season so do many animals. Including: bears, snakes, bumble bees, groundhogs and ground squirrels. How do you prepare for winter?

We have so much to be thankful for this season. An attitude of gratitude helps us appreciate what we have. Make a list of all of the people, things, and places you are grateful for. Make sure you share your list with your special people.
