Welcome Back
FROM YOUR LEGAL PUBLIC STAFF

From the Principal

Dear Legal Public School Families,

I am excited to welcome everyone for the 2024-2025 school year, and to introduce myself as your Acting Principal. Legal community is near and dear to my heart and I am thrilled to dive back into our shared mission of fostering an environment where every student feels a strong sense of belonging and is encouraged to explore their unique passions. During my time away I've gained a renewed appreciation for the journey of learning and growth and I am eager to bring fresh energy and commitment to our school. Our school community will continue to focus on growing important foundational skills in literacy and numeracy, and expanding our social-emotional skills as we foster a safe and happy environment for everyone.

Legal Public School opens our doors at 8:30 am to greet students and provide supervision as students begin their day. The end of our school day is at 3:00pm where we will release students to their dedicated guardian, always through our front doors. Please notify the school and your child's teacher if someone other than yourself will be dropping off or picking up your child. Our school doors will remain locked throughout the day, if you are coming to pick up or drop off your child please ring the black door bell and someone will greet you. Any phone messages left in the morning will be received after our half day programming as all of our staff will be actively supporting students in classrooms during this time.

I look forward to reconnecting with all of you and working together to make this school year our best yet. Let's continue to support each other and inspire our students to reach new heights. Thank you for the warm welcome back!

Here's to a fantastic year ahead!
